SOLOMON, CAMPER

I can't begin to express my heartfelt gratitude and appreciation for the incredible experience max had in Olim. When we got home, he started talking, singing, telling stories; his smile and enthusiasm made my heart melt. I went to bed with happy tears over our decision to send him to Iacobs and

know that you guys have forever impacted his life in the most positive way.

LAURA, PARENT

Anote from our DIRECTOR

There is nothing like spending a summer at Jacobs Camp, and I look forward to welcoming your camper to our warm, loving and inclusive family. At Jacobs, your camper will experience a summer full of exciting activities, new experiences, and Jewish joy.

Jacobs Camp is a place where campers can truly be themselves - free from phones and other distractions - and where lifelong friendships are made. As Camp Director, and a lifelong Jacobs camper, I can tell you first hand that when a child goes away to camp, the entire family grows from the experience.

For over 50 years, Jacobs Camp has been the place of connection for the Southern Jewish community. We pride ourselves on providing a personal touch to all of our camp families, and we look forward to connecting with you!
